Golf Cart Protocol/Pilgrims with Mobility Issues

Golf carts driven by Shrine personnel will be offered "**if available**". Yearlong, carts do not operate during 1:45 p.m.- 3:00 p.m. to allow our volunteer drivers the opportunity to attend Holy Mass.. ***During the winter months (Nov until after Divine Mercy Sunday) golf cart service does not operate. We request that all those with mobility issues have a person to assist them while on our grounds.***

Given the rural terrain of Eden Hill, we advise pilgrims to dress with sturdy walking shoes and appropriate outerwear. Please call the Pilgrimage Office if you have any questions or concerns.

Food/Dining

The Shrine does not have a cafeteria. You may bring your own lunch **There is NO cooking or reheating of food on Shrine property.** There are vending machines for snacks/soft drinks. We have LIMITED INDOOR seating for eating and a large sheltered area with picnic tables for your use.
